NOTICE OF PROPOSED RULE MAKING

Adopted: October 22, 2003

Released: October 24, 2003

Comment Date: December 15, 2003

Reply Comment Date: December 30, 2003

By the Assistant Chief, Audio Division:

1. The Audio Division has before it a petition for rule making filed by Rubber City Radio Group ("Petitioner"), licensee of Station WQTX(FM) ("WQTX"), Channel 224A, Charlotte, Michigan. Petitioner seeks to amend the FM Table of Allotments by modifying the license of Station WQTX to specify operation on 225A and by changing Station WQTX's community of license from Charlotte to Grand Ledge, Michigan. This reallocation would provide Grand Ledge with its first local aural transmission service. Petitioner states that if the Commission grants its petition for rule making, petitioner will file an application to operate on Channel 225A at Grand Ledge.

2. Petitioner seeks to invoke the provisions of Section 1.420(i) of the Commission's rules which permits the modification of a station's authorization to specify a new community of license without affording other interested parties an opportunity to file competing expressions of interest.¹ In support of its proposal, Petitioner explains that the proposed use of Channel 225A at Grand Ledge is mutually exclusive with Station WQTX's existing authorization at Charlotte.

3. Petitioner asserts that the adoption of its proposal will result in a preferential arrangement of allotments consistent with the *Revision of FM Assignment Policies and Procedures*,² by providing Grand Ledge, Michigan (2000 U.S. Census population of 7,813), with its first local aural transmission service. The allotment of Channel 225A to Grand Ledge would not deprive Charlotte of its sole local transmission outlet, because Charlotte will retain local service from Station WLCM(AM).

4. Grand Ledge is partially located within the Lansing, Michigan Urbanized Area and Petitioner's proposal would place a 70 dBu contour over 82.5 percent of that urbanized area. In these circumstances, Petitioner must submit a showing of Grand Ledge's independence from the Lansing Urbanized Area in order

¹ See *Modification of FM and TV Authorizations to Specify a New Community of License*, 4 FCC Rcd 4870 (1989), *recon. granted in part*, 5 FCC Rcd 7094 (1990).

² 90 FCC 2d 88 (1982). The allotment priorities are: (1) first full-time aural service; (2) second full-time aural service; (3) first local service and (4) other public interest matters. Equal weight is given to priorities (2) and (3).

to demonstrate its entitlement to consideration as a first local service.³ Petitioner has submitted a *Tuck* showing and we seek comment from the public on this showing. We believe that Petitioner's proposal warrants consideration since the allotment of Channel 225A to Grand Ledge, Michigan, could provide a first local aural transmission service to Grand Ledge.

5. The transmitter site for Station WQTX will be relocated to accommodate Petitioner's request to reallocate Station WQTX from Charlotte to Grand Ledge. Petitioner states that its proposal will enable Station WQTX to increase its facilities from 3 kilowatts of effective radiated power (ERP) to 6 kilowatts of ERP, thus providing a net gain in service to 159,068 people and a net gain in area served of 666.3 square kilometers.⁴ Petitioner asserts that both the loss and gain areas will be well-served with 5 or more reception services. Since Petitioner's proposal is consistent with the provisions of Section 1.420(i) of the Commission's Rules, we shall propose to modify the authorization of Station WQTX without entertaining competing expressions of interest in the use of Channel 225A at Grand Ledge, Michigan, or requiring Petitioner to demonstrate the availability of an additional equivalent channel for use by other parties.

6. Consistent with the technical requirements of the Commission's Rules, Channel 225A can be allotted to Grand Ledge, Michigan, at Petitioner's specified site, utilizing coordinates 42-42-17 NL and 84-37-20 WL, with a site restriction of 11.5 kilometers (7.2 miles) southeast of Grand Ledge.

7. Accordingly, we seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the communities listed below, as follows:

<u>Channel Nos.</u>		
<u>City</u>	<u>Present</u>	<u>Proposed</u>
Charlotte, Michigan	224A	-----
Grand Ledge, Michigan	-----	225A
